

Important Notes:

- 1) Swimmers will enter the Pre-Staging Corral (awning with balloons) at the northwest corner of the pool (outside the fence). Swimmers will be called by Event and Heat only and sent to the friendly name-checker at Checkpoint 1.
- 2) Once called by the name-checker at Checkpoint 1, swimmers will be seated on benches in the Staging Chute according to lane.
- 3) A second friendly name-checker will call swimmer's names at Checkpoint 2 prior to seating the swimmers in the Staging Area.
- 4) After completing their swim, swimmers will exit the pool deck along the east edge, past the wading pool, up the stairs and back to the team seating areas.
- 5) Parents and friends are encouraged to meet their swimmers OUTSIDE the pool deck.
- 6) Any personal items left behind in the staging area will be returned to a box in the staging corral.
- 7) Due to the extremely limited deck space available, we ask that only swimmers and officials be on the pool deck, except in designated temporary viewing areas.
- 8) Swim hard and have fun!
