

HELP US MAKE A BIGGER SPLASH.

Simply put, we *need new pools!* Our old ones are falling apart. And most are not being replaced. We're not asking for your money. We're asking for your passion. Your time. Your creativity. We need a louder, more cohesive voice to help us make bigger waves with elected officials, potential donors and community activists. No toe-dippers please. We need head-first divers willing to make a big difference so that this generation of competitive swimmers isn't our last. If you're passionate about the vital role swimming plays in our communities, **please e-mail us at splash4all@hotmail.com and we'll let you know how you can help. Thank you for your support!**
